Program Coordinator – Education Coordinator
4560 SE International Way, Suite 100
Milwaukie, OR 97222
971-206-5200
education@marquiscompanies.com**

- There are 25 facilities (16 in the Portland-Metro area)
- Either apply on-line at <http://www.marquiscompanies.com/careers/cnacertification> or get in touch with the Human Resource Department of the facility in which you're interested in working for.
- Submit an application, schedule an interview and they will work with you to let you know if you are enrolled in next course.
- The CNA training course runs between 5 to 7 weeks, Monday – Friday, from approx. 8AM – 4PM each day
- The CNA training is free to the student, in addition to the training Marquis Companies Nursing Assistant Program will pay for all of the licensing and testing to gain your CNA license.
- You are hired as an employee directly after graduation, with benefits and education options available after required hours are met. Marquis Companies asks that you commit to six months of employment post CNA graduation, continuing education assistance with RN or LPN training can begin after 1 full year of employment.

The best way to view and understand all of our facilities are by clicking and viewing this link: <http://www.marquiscompanies.com/locations/locationsbystate>

When you click on a facility name, all of the contact information is listed on the far right column with address, telephone and fax, plus the ability to email the facility directly.
